

Grocery Shopping

You are helping your mom and dad with some grocery shopping. They give you a \$10 bill. You are supposed to get 1 gallon of milk, 2 boxes of pasta, and 4 apples. Using the prices below, how much money will you need to give the cashier to pay for the groceries?

1 gallon of milk	\$	3.00
1 box of pasta	\$	1.00
2 apples	\$	0.50

How much money will you give to the cashier? _____

BONUS QUESTION!

If your parents let you keep \$1.00 for helping with the grocery shopping, how much money will you need to give back to your mom and dad? _____
